

ANOOP SINGH

GLOBAL HEAD - SHIPPING RESEARCH
OIL BROKERAGE

Anoop Singh heads the global shipping research team at Oil Brokerage. The team provides bespoke forecasts, data, models, and analytics on physical, FFA and shipping asset markets. Anoop has been analysing tanker and oil markets for over ten years. Before joining Oil Brokerage in 2023, Anoop was at Braemar Plc for nearly seven years, last as the head of tanker research. He also worked at top tier ship-owners in commercial, strategic and operational roles. Anoop is a graduate in Economics and a postgraduate in Finance and Operations. He is a certified master mariner. He has recently taken to sailing lasers and toppers to reconnect with the water.
