

BRIAN PIERI

FOUNDER, ENERGY ROGUE

Brian Pieri is a seasoned energy industry expert with over two decades of experience in energy commodities trading, risk management, finance, and strategic transactions. With a proven track record of delivering exceptional value to companies, he has been at the forefront of creating, developing, and implementing new business verticals in the energy sector. As the Founder of Energy Rogue, Brian's strategic vision and deep industry knowledge have driven the company's success. He has dedicated his career to helping oil and gas producers, midstream operators, traders, and professionals navigate the complex energy markets. Brian's expertise extends to upstream and midstream assets, supply and trading strategies, and optimizing energy commodity prices. His ability to effectively manage risk-weighted returns has made him a recognized leader in the oil and gas industry. With an impressive history of building and leading high-performing teams, Brian brings a unique blend of leadership, finance, origination, communication, and negotiation skills to the table. He has developed meaningful relationships across all levels of the energy sector, positioning him as a trusted advisor and resource for industry professionals. Brian Pieri's commitment to integrity and excellence in decision-making has been a driving force in his career. He has successfully contributed to the growth and strategic goals of numerous companies, making him a valuable asset to any organization looking to thrive in the dynamic energy landscape.
