

DR. IMAN NASSERI

MANAGING DIRECTOR – MIDDLE EAST
FGE NEXANTECA

Dr. Iman Nasser is a managing director based in Dubai. As MD of Middle East at FGE since 2018, Iman has overseen research, analysis and coverage of Middle East oil and gas, primarily focused on downstream. He also works closely with the refining team and is involved with FGE's Annual World Refining Outlook. Previously, he has worked closely with both LNG and NGL teams on various aspects of the market as well as commercial projects. Dr. Nasser received his PhD in Economics in the US in 2013, focusing on energy economics.
