

ANDY LAVEN

MANAGING DIRECTOR, E-CONS

Andy has over 34 years of experience in the Oil and Gas Industry holding senior leadership roles across the Upstream, Midstream and Downstream in the Middle East, Europe, North America, and South America. He is the Managing Director for E-Cons, and a Partner at Optima Advisors DMCC. Andy has significant experience in technical, business, and commercial roles across the oil & gas value chain, as well as geographical experience across most of the continents. More recently Andy's focus has been on understanding the needed change in supply dynamics because of the energy transition, with a particular focus on the part that Africa will play. He has a passion for providing the optimum solution for the long term.
