

DR. ANAS F. ALHAJJI

MANAGING PARTNER,
ENERGY OUTLOOK ADVISORS LLC

Dr. Anas F. Alhajji is a world-renowned energy markets expert, researcher, author, and a speaker with more than 900 papers, articles and columns to his credit. He advises governments, companies, financial institution and investors on various energy markets issues. He focuses on oil and gas market outlook, energy geopolitics, energy security, and the impact of disruptive technologies on the supply and demand of energy. Before his recent role as a Managing Partner at Energy Outlook Advisors LLC, he was the former Chief Economist of NGP Energy Capital Management. He led the Firm's macro-analysis of the oil, natural gas and related markets as well as the overall economic environment. He was responsible for the short-term and long-term outlooks for oil, natural gas, NGLs, and LNG markets. Dr. Alhajji's articles appeared in numerous countries in more than 10 languages, and his work is cited in over 60 books. He has addressed numerous companies, institutions, and national and international organizations. He also serves on the board of several energy-related publications. He is a contributing editor for the one of the industry's premier publications: World Oil. He is also the moderator of the industry's oldest virtual Forum: Oil, Gas, & Energy Law (OGEL).
