

MATT WRIGHT

SENIOR FREIGHT ANALYST
KPLER

Matthew currently takes the lead in providing clients with expertise, analysis, and research on the freight markets. Prior to Kpler, he held a variety of roles and has worked in 2019 with the Simpson Spence Young as a Senior Tanker Analyst, where he was responsible for analyzing the oil tanker markets. He previously worked in Argus Media as Freight Market Reporter in 2013 and later moved to the company's consulting services in 2015, working on a range of single client projects and later joined the fundamentals team to manage the delivery of analysis and reports focusing on freight, crude and refined products.
