

ALI AL RIYAMI

CONSULTANT & FORMER DIRECTOR GENERAL OF MARKETING
MINISTRY OF ENERGY & MINERALS, OMAN

Ali has been serving the energy industry of Oman for many years. During his long and intensive career in the government sector, he participated and led many boards in the private sector, including representation of the government of Oman in international forums. He cultivated influential relationships with decision making figures from the Oil & Gas sector both locally and internationally. He was instrumental in opening new markets for Oman globally. He maintains active connections with international Oil & Gas companies and executives which offer many new commercial opportunities for Oman and the global markets.
